महोदय/महोदया,  
Sir/Madam,

With reference to your trailing mail, the following points may please be noted:

- 1.Training flight operations at Mysore Airport from dawn to dusk, with base at Kannur Airport, may be carried out without accessing the terminal building, subject to compliance of SOP for coordination with Mysuru ATC for carrying out flying operations at Mysuru Airport.
- 2.The agency has to obtain AEP for Mysuru Airport from BCAS for accessing Terminal building at Mysuru Airport.
- 3.Copy of SOP w.r.t coordination with ATC will be shared with M/s Spirit Air prior to the commencement of operations at Mysore Airport. M/s Spirit Air may intimate the tentative date of start of flying operations at Mysuru Airport.

भवदीय /With regards,
