Sub: FTO Operations ex- Hosur Airport – reg.

Reference is made to e-mail dated 8th November 2022 wrt cited subject.

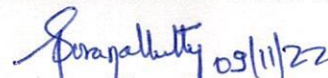

HAL ATC has no objection for the proposed FTO Operations at Hosur Airport, subject to the following conditions:

- 1) Circuit flying shall be restricted to 4000' AMSL or below
- 2) Operations may be planned from Sunrise to 0830 Hrs IST and after 1630 Hrs IST till Sunset on all days subject to clearance from HAL App.
- 3) Subject to traffic and clearance from HAL App, Flying activities may be carried out without time restrictions on all Sundays.
- 4) The flying operations shall be terminated as directed by HAL ATC, on short notice, due to other requirements/ contingencies such as Test flying / VIP movements / Military flying etc.
- 5) All flying operations shall be undertaken only after the approval from HAL ATC. Hosur ATC shall coordinate prior to commencement and on termination of each sortie with HAL App.
- 6) Applicable charges, if any shall be paid to HAL ATC.
- 7) Operator shall file the flight plan and obtain ADC number for each flight when applicable.

Copies of approvals from all relevant agencies including DGCA shall be submitted to HAL ATC before commencing FTO Operations.

Further, an SOP for the operations shall be prepared including circuit, sector and cross country flights, to be signed by ATS-In-Charge, HAL Airport. The Head of Operations Hosur Airport and Chief Flying Instructor, Training Academy prior to FTO operations.

Regards,
for Hindustan Aeronautics Limited,

(Saravana Moorthy),
ATS-In-Charge,

Deputy General Manager (Aerodrome Operations).
